## TC\_Infinity\_Scroll

The image is a screenshot of a mobile shopping application. At the top, there's a status bar with the time 11:29 AM, signal strength, 4G LTE, and battery level at 86%. Below the status bar is a blue header with a search bar containing the text "Cari di Klik Indogrosir". To the right of the search bar are icons for a shopping cart, a bell (notifications), and a menu. The main content area displays four product listings in a 2x2 grid. Each listing includes a product name, a price per unit, a quantity sold indicator, and an orange button labeled "+ Keranjang". The products are: 1. Indomie Mie Instant Ayam Bawang PCK 69g, 2. Filma Minyak Goreng Refill PCH 2000mL, 3. Indomie Mie Instant Kari Ayam PCK 72g, and 4. Segitiga Biru Tepung Terigu Transparant PCK 500g. Each product listing also features a small image of the product packaging. At the bottom of the screen is a navigation bar with four icons: a house (Home), a heart (Favorit), a list (Pesanan), and a person (Akun).
