	 <p>The screenshot shows a mobile application interface for changing a password. At the top, the status bar displays the time as 5:40 AM, signal strength, and battery level at 54%. The app's title bar is labeled 'Ubah Password'. Below the title, a message reads: 'Perbaharui password secara berkala demi keamanan Akun Anda'. There are three password input fields, each with a label in red text: 'Password lama' (containing 'user123'), 'Passw' (containing '1234'), and 'Ketik u' (containing '1234'). Each field has an eye icon to toggle visibility. A white modal dialog is centered on the screen, featuring a green checkmark icon, the word 'Berhasil' (Success), and the message 'Kata sandi berhasil diperbaharui' (Password successfully updated). A blue button labeled 'Tutup' (Close) is at the bottom of the modal. The bottom of the screen shows the Android navigation bar with back, home, and recent apps buttons.</p>
