6	takeScreenshot(getReportFolder() + "Cek Flash Kamera.png", CONTINUE_ON_FAILURE) Screenshot is taken	2.275s	PASSED

TC_Scan_QR

A screenshot of an iPhone's camera app interface. The top status bar shows the time as 1:36 PM, along with icons for signal strength, Wi-Fi, and a full battery (100%). The main view is a dark, underexposed photograph of a rectangular object, possibly a book or a piece of paper, which is mostly black with some faint, indistinct shapes. At the bottom of the screen, there is a black bar containing three elements: a camera icon with a circular arrow (indicating a video or burst mode), a white lightning bolt icon (indicating the flash is on), and the word "Cancel" in white text. The entire screenshot is framed by a light blue border.
