## TC\_Register\_Phone\_Taken

#	Description	Elapsed	Status
	 <p>The screenshot shows a mobile application interface for account registration. At the top, the status bar displays the time 12:54 PM, signal strength, Wi-Fi, and 100% battery. The app's title bar is grey with a back arrow and the text 'Buat Akun'. Below this, there are input fields for 'Ketik Ulang Password' (containing 'user123') and 'Alamat Pengiriman' (containing 'Jl. yang ada di Kedaung'). A modal dialog box is centered on the screen, featuring a red circle with a white 'X' icon. The dialog text reads 'Oppsss' followed by 'Gagal, invalid parameter - The email has already been taken.' and a blue 'Tutup' button. At the bottom of the app screen, there is a 'Nomor Handphone' field with the number '081808195603' and a dark blue 'Daftar' button. The Android navigation bar is visible at the very bottom.</p>
